# JUNIOR EAGLES

## AT UW- LA CROSSE

## DEVELOPMENT LEAGUE

**SPACE IS LIMITED!**

Dear Parents,

The Junior Eagles Development League is designed to bring together players from cities throughout Western Wisconsin. In combination with interacting and being coached by our UWL Men's basketball program.

We believe this is a unique experience to play with or against some of the most dedicated players within a 60 mile radius.

Whether their skill level is advanced or they are just starting, this is a great chance to work on their game prior to grade-school and club basketball. All while being on a college campus!

Sincerely,  
Kent Dernbach  
Head Coach

**Only \$85 when you sign up w/ a friend!**

- Emphasis on the **fundamentals and offensive concepts** of individual and team basketball.
- Games will be played each day after a fundamental session. Players will be drafted into teams based on age and ability to ensure competitive games. All games will be officiated.
- Evaluation games will take place on Sept. 30. Teams will be ***drafted*** after campers are released on Sept. 30. Each camper will be sent a draft notice via email indicating what team they are on and who their coach is. It's a very exciting opportunity for every Junior Eagle!
